Education:

Ph.D.	1992	Physical Chemistry	Princeton University	USA
Dissertation Title: "The Surface Structures and Thermal Motions of Self-Assembled Monolayers Studied by Low Energy Helium Diffraction"				
Graduate Research Advisor: Professor Giacinto Scoles				
M.A.	1987	Biophysics	Princeton University	USA
B.S.	1985	Chemistry	Peking University	P. R. China

Positions:

1986-1992	Research assistant, Department of Chemistry, Princeton University.
1992-1994	Miller Research Fellow, Department of Chemistry and Material Science Division, Lawrence Berkeley Laboratory University of California, Berkeley with Professor Yuan T. Lee and Dr. Miquel Salmeron
1994-1999	Assistant Professor, Department of Chemistry, Wayne State University
1999-2001	Associate Professor with Tenure, Department of Chemistry Wayne State University
2001-present	Associate Professor with Tenure, Department of Chemistry University of California, Davis

Awards and Honors:

April, 2003	ACS Travel Award --- "Be Visible" program for presenting research seminars at Columbia University and University of Pennsylvania
2000-2001	Career Development Chair Award, Wayne State University
2000	Outstanding Scholarly Achievements Award, Wayne State University
1997-2001	NSF-CAREER Award, granted by National Science Foundation
1996-1998	Arnold and Mable Beckman Young Investigator Award
1994-1999	Camille and Henry Dreyfus New Faculty Award
1992-1994	Miller Research Fellowship granted by The Miller Institute for Basic Research in Science, U. C. Berkeley Sponsors: Professor Y. T. Lee and Dr. Miquel Salmeron.
1990-1991	Harold W. Dodds Honorific Fellowship granted by Princeton University.
1986-1987	CGP (Chemistry Graduate Program) Fellowship granted by the Ministry of Education, P. R. China.
